Sept	-	-	-	28
Nov	-	-	-	23 -

## Last term updates

- The summer term was a busy term with many events. **The annual gala** was very well attended and we managed to finish just in time, before the centre turned the electricity off. For many swimmers it was their first gala and all did extremely well, achieving some very good times.

- We had yet another excellent evening of **diving tuition** and competition run by **Beth Stannard**. It was a good informative evening for all who took part ending with an enjoyable but keenly fought competition..
- The annual **BBQ** and awards evening was held at **Bere Regis sports field** for the second time running. We were blessed with good weather and had a very good evening with plenty of room to run around. We were able to hold the presentations outside which made such a difference having so much space.
- A **triathlon** was held on the last Saturday of the term and was combined with the family swim. We had a good turn out with excellent weather. We started the event with a run and cycle ride ending up in the pool. It was a brilliant evening and **thank you Mark!**

**Tadpoles** - 9 and under  
**Splashers** - 11 and under  
**Orcas** - 13 and under  
**Wrinklies** - over 16

We will be **swimming between 11 and 12 am** and need **6 swimmers for each team**. In the next few weeks Hilly Menzies will be asking for volunteers so please speak to Hilly or email Bob if you would like to take part.

### Special Evening

We will be holding a special evening of **mini polo** during the second session on **Saturday 9th November**. **Dave Bradley** from the **Bournemouth Water Polo Club** is coming to run the session which is always great fun and will appeal to both boys and girls.

### Treasurer Wanted

**As of next April we will be looking for a new treasurer** as Richard Miller will be stepping down after our AGM due to other commitments. Richard has done a wonderful job for the club over the past few years and we shall be sorry to see him go. Anyone who feels they would like to do this job or might give it some thought, please speak to Bob, Richard or Hilly.

### Facebook

For those who do not already know, **Bere Regis Orcas** have a **Facebook page**. Do have a look as it contains much useful information.

## Dates for your Dairy

### The Wareham Lions Swimarathon

This will take place on **Sunday 20th October** at the **Purbeck Sports Centre**. We have entered four teams for the event.
