Last Term Updates

We held another very successful One Hour Endurance Swim in February with 17 of our swimmers participating. Our Distance Night which took place in March turned out to be another busy night. Well done to all our swimmers who took part in these events! Our AGM took place on 30th. April and after 43 years, Bob has stood down as chairman of the club. Thank you Alan for stepping forward to take over and we know you will do a brilliant job!
